

# ALASKA CENTER FOR ACUPUNCTURE

*Presents:*

## **Supportive Cancer Therapies Taught by Dr. Michael Ellenburg**

**Workshop Title: Supportive Cancer Therapies**

**Date: Wednesday, February 22, 2012**

**Time: 7pm-8:30pm**

**Cost: FREE**

**Location: Alaska Center for Acupuncture**

Most patients who are diagnosed with cancer do not know what else they can do besides standard treatment. This presentation will discuss supportive therapies aimed at enhancing the health of the patient. These therapies include diet, detoxification and immune system support.

Anyone can learn how to improve their health at this presentation; you do not need a diagnosis of cancer.

In this presentation you will learn:

- What to eat and what not to eat
- How to minimize the toxicity of chemotherapy and radiation
- How to support your immune system

Please pre-register by calling **Alaska Center for Acupuncture at 745-8688**. Space is limited, so call early!

**About the Presenter:** Michael Ellenburg is a licensed Acupuncturist and Naturopathic Doctor. He also has a Masters degree in public health. Dr. Ellenburg sees patients of all ages but has a special focus on chronic diseases. He is a lifelong Alaskan and loves the outdoors. Dr. Ellenburg is passionate about educating people on their health!
